- Rules apply to both dairy and beef feeders.
- All feeders must be owned and on feed by May 1, 2020.
- All feeders must be weighed, tagged, and vaccinated on May 11, 2020. Feeders must be dehorned and castrated on or before May 11, 2020. Castration means no testicular tissue and dehorned means no presence of horns/scurs. If testicular tissue and/or horns/scurs are present the animal will not be eligible for exhibit at the Fair.
- Exhibitors may tag 4 and show 2 feeders.
- Feeders must weigh between 300 and 750 pounds at Fair.
- Dairy and Beef feeders will be shown separate and will be assigned to the proper weight classes following weigh-in. There will be a maximum of 10 feeders per class.
- Feeders must be halter broke and easy to handle. Exhibitors must show in appropriate attire and animal must be shown with a halter. Feeders are to be shown like a beef steer.
- Feeders must be in place by 7 AM on July 20 and will be weighed on July 20 at 8 AM. Beef Feeders will show on July 21 at 3 PM and Dairy Feeders will show on July 22 at 11 AM. Feeders that are going home may be released following the sale Friday night between the hours of 11 PM and 7 AM Saturday.
- Both Beef and Dairy feeders may be crossbred, but must be from recognized foundation breeds. If crossed between dairy and beef breeds, the animal must show in the beef feeder show and cannot show in the dairy feeder show.
- Feeder may be either heifers or castrated males.
- Awards will be given for Fayette County born and raised feeder.

Classes:
