NEW testing species for 2025: Feeders, Dairy Goats, Meat Goats, in addition to all previously tested Champions and Reserve Champions, will be drug tested at the 2025 Fayette County Fair.

Sale means "I want to enter my animal into the auction."

Truck means "I have an extra animal that I need to get rid of because my project is over."

Home means "I want to take my animal home because I want to compete elsewhere or I plan on using for a breeding animal."

Division A - Dairy Breeding

July 16 @ Sales Arena

No buck goats are permitted on the fairgrounds.

Each animal is to be drug free at the fair when they cross the scale.

All animals must remain in their assigned pens between 11:00 PM-5:00 AM. Animals cannot be outside the gates of the fair (i.e. campground) at any time.

All goats must be checked-in in the barn on July 13 during market goat weigh-in.

Fullblood breeding goats must be purebred and recorded within their association; percentage Does may be non-registered purebred or crossbred animals. Registration papers of Fullblood breeding stock must be provided, if asked. Animals must be registered in the exhibitors or family name only. All breeding goats must have a USDA approved scrapie tag, or tattoo, to be admitted to the fair. The USDA scrapie tag/tattoo will be the official fair identification.

Dairy Goat Breeding Promotion - Donated funds are to be divided among the dairy goat breeding exhibitors. To qualify for a premium, an exhibitor must exhibit the dairy goat breeding project at the fair.

Classes will be judged by breed. All recognized breeds may show. Classes will be divided by committee based on participation.
