New members are required to get the 191R Horses, Safety and You manual, and with a parent/guardian to view required links, Every Ride, Every Time and Horses, Kids & Ethics. After reading the manual and viewing the required links, the member and parent(s) sign the form on the inside back cover of the manual, Advisors will keep on file a copy of this signed form and each year's new permission forms. When additional family members join, they can sign the original forms after they have seen the films and read the manual. Members who are not in a horse club should turn in the permission form and a copy of the 191R form in to the Junior Fair Board Coordinator and the Senior Fair Board Horse Representatives no later than May 15.
4. Competition at the county fair show and participation in the horse activities, is limited to those enrolled in a Fayette County 4-H Club or FFA Chapter with a horse or horseless-horse project.
